

AMERICAN CHERRY

AACER™

RESIDENTIAL FLOORING

American Cherry

A light, reddish-brown hardwood with a satiny fine grain that ages to a rich patina, American Cherry is one of the most sought-after northern hardwoods. It is considered an American exotic.

MATERIAL WARRANTY

Acer Flooring warrants that the products have been manufactured in compliance with the grading rules of Acer Flooring, and will be free from manufacturing defects, which are limited to improper milling or improper drying only. Manufacturing defects do not include natural wood characteristics such as mineral streaks, knots, grain variations, and normal minor differences between color samples and the color of installed floors. These are normal characteristics and are not defects.
