

NORTHERN WALNUT

AACER™

RESIDENTIAL FLOORING

Northern Walnut

Walnut hardwood floors are spectacular and distinguished. Prized in any room, their handsome design allows for a one-of-a-kind look sure to generate interest and awe. Use walnut hardwood flooring in a variety of designs like traditional, transitional, or eclectic. The only limit to these floors is your imagination. The fine grain and darker tones of our Walnut flooring make it the perfect choice for adding subtle elegance to your favorite room. Walnut will add timeless beauty to your favorite room.

FEATURES AND BENEFITS

- Our most beautiful floor! Most consistent steaming process in the industry for a very consistent dark brown with red undertones. Product is very soft and not ideal for high traffic areas but very stable.
- A North American Exotic
- Warm brown tones and can be dark and rich in color when steamed
- Light traffic areas only
- Moderately dense, very strong

GLACIER

Character Grade flooring with a long average length. All character and imperfections are permitted. This flooring will have extensive color variation. Pencil width knots are allowed to go all the way through the board. **Average board length is 48".**

MATERIAL WARRANTY

Aacer Flooring warrants that the products have been manufactured in compliance with the grading rules of Aacer Flooring, and will be free from manufacturing defects, which are limited to improper milling or improper drying only. Manufacturing defects do not include natural wood characteristics such as mineral streaks, knots, grain variations, and normal minor differences between color samples and the color of installed floors. These are normal characteristics and are not defects.
