ARNOLD JOINS AACER FLOORING

Greg Arnold Named Regional Manager for Midwest/Northeast Territory

(April 4, 2017, Peshtigo, WI) Aacer Flooring, a leading manufacturer of true northern hardwood solid and engineered flooring, is pleased to announce that Greg Arnold has joined their team as Regional Manager for the Midwest/Northeast Territory.

“Aacer is excited to have Greg on-board. Our customers will be drawn to his energy, straight answers and exemplary customer service.” said Ray Webb, General Manager of Aacer Flooring. Arnold’s experience in the hardwood flooring industry - especially with engineered flooring - will be valuable as Aacer launches their new engineered lines, Old Glory and National Treasures Collection.

Greg can be contacted at grega@aacerflooring.com or 601-310-3240.

Aacer Flooring is a privately owned family business headquartered in Peshtigo, WI. Aacer Flooring is a leading manufacturer of northern hardwood flooring for the sport & recreation, residential and commercial markets. With a 330,000 square foot, environmentally controlled manufacturing facility and 15 kilns, all material is kiln-dried, milled, graded and prefinished to precision on-site. Aacer is expanding their footprint to include an engineered line. Material will be available second half of 2017. Aacer also supplies sub-floor systems and synthetic flooring to the sports & recreational market. Aacer products can be found installed throughout the world.
