SPORTS FLOORING

AacerFlex™ TP with MP Sport

AacerFlex™ TP with MP Sport combines the best characteristics of wood and synthetic sports floors by allowing multiple design options for a variety of sports and uses. This flooring system will provide sufficient force reduction, increased energy return and outstanding ball rebound characteristics over its long life.

WOOD/SYNTHETIC

AacerFlex™ TP with MP Sport

AacerFlex™ TP with MP Sport is the perfect choice for high-volume, multipurpose facilities that require a floor that integrates load bearing ability and enhances athletic performance. Combine your wood floor seamlessly with a multi-use synthetic floor without transitions.
