

AcousticCover™

ACCESSORY

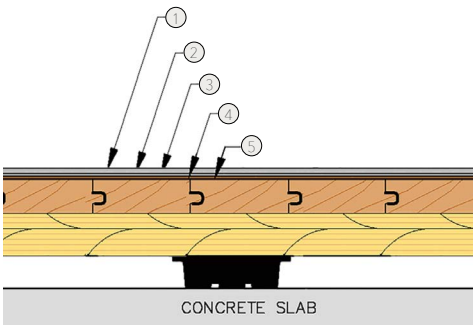

AcousticCover™ is a fully portable floor cover that can transform gym floors into eloquent meeting spaces. Large assembly areas quickly convert into revenue spaces for conferences, meetings and gatherings. In addition to offering great flooring protection, AcousticCover™ also has excellent sound deadening qualities.

AcousticCover™

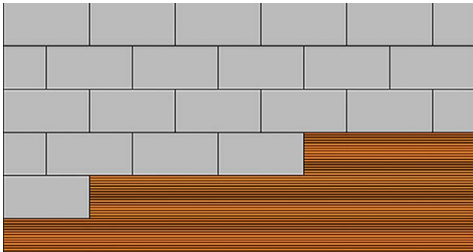

- Easy and quick to install and remove
- High-quality fiber and backing
- Individual tiles can easily be replaced
- Ideal for transforming gyms into concert venues, tradeshow exhibit areas, dance halls and more
- Tiles can be used to cover entire gym floors or used individually to create a protective runner entrance mat
- Excellent acoustic values
- AcousticCover™ Carts make it easy to transport and store the tiles
- Puncture & tear resistant

WALL BASE

1. (6) Four Hole, Hollow Filament Nylon with Permanent Stain and Bleach Protection, Static Control, and Duratech Soil Resistant Treatment
2. 100% Vinyl Non-Aqueous Polymer
3. 100% Vinyl with Recycled Content
4. Non-Woven Fiberglass Stabilizing Membrane
5. 100% Vinyl with Recycled Content
