Aacer Flooring has announced they will be permanently closing their doors as of July 31, 2022.

The Aacer team would like to thank the hardwood flooring industry as a whole for all their support over the years. It has been relationships and interactions with our customers, vendors and industry peers that have made business so enjoyable.

The social and economic impacts we've felt the past several years have made it very difficult to maintain a business. Unfortunately, the supply chain and labor market challenges that exist today has forced us to make the very difficult decision to cease operations July 31, 2022.

The Aacer team has enjoyed...and will miss...the camaraderie and friendships that have developed over the years.

THANK YOU for all the good memories.
